

MT LYFORD HORSE TREKS

Build a Bond Beyond Belief

Two Day Natural Horsemanship Weekend- November 1 and 2 - 2014

Leading Horseman, Bryan McVicar is coming to Mt Lyford to teach us how to build our relationship with our horse safely and effectively. Take advantage of this weekend opportunity staying in our log house and learning about your horse amongst the magnificent backdrop of Mt Lyford.

This is a fabulous opportunity for the perfect horsey weekend getaway for you and your horse or one of ours for riders of all levels of riding experience who want to develop with their horse. The programme is designed to build rapport, communication confidence and safety between you and your horse, and proves to be very rewarding for all who have experienced it. Bring food to share from Friday night to Sunday afternoon. We have spa pools over the road at Mt Lyford lodge.
